Parents and Students,

Please complete this registration form carefully. We will make every effort to staff according to your needs and requests.

1. Please select your top two (2) elective choices and write them on the appropriate lines. Remember that some electives (indicated with an *) take up two semester electives.
2. Now you must choose two alternate electives in order of preference in case your top two (2) are not available. Remember that some electives (indicated with an *) take up two semester electives.
